

OneList™

Connecting you to multiple imaging centers and delivering your results to those that need them

*Simplify your work with the OneList Workflow Solution using
ImageWebGate® -All Over The Web*

**Integrated
Interoperable
Interactive Healthcare**

Complete HIE for Medical Imaging

OneList connects the radiologists to multiple PACS and RIS installations which are integrated into a single worklist for reading and resulting in an interactive system combining RIS, PACS, and dictation available over the Web. **OneList** is the complete HIE for imaging.

Results are delivered to the referring provider and made available directly over the Web. The integration of *imsiRIS-X2*, *imsiPACS*, and *imsiVOICE-Interactive* provides a comfortable platform for web based diagnostic reading.

• Cloud Hosted Applications

• *imsiPACS* Image
